11 Case No. 17-cv-06932-MMC

12 **ORDER DENYING STIPULATION TO
13 SHORTEN TIME FOR HEARING
14 PLAINTIFF'S MOTION TO SERVE
15 PROCESS; CONTINUING HEARING
16 ON DEFENDANT'S MOTION TO
17 DISMISS AND ON PLAINTIFF'S
18 MOTION TO SERVE**

19 Before the Court is a stipulation between plaintiff Micron Technology, Inc.
20 (“Micron”) and defendant Fujian Jinhua Integrated Circuit Co., Ltd. (“Jinhua”), titled
21 “Stipulation and [Proposed] Order Shortening Time to Brief and Hear Plaintiff's Motion for
22 Alternative Service of Process,” filed October 16, 2018. Having read and considered the
23 stipulation, the Court rules as follows.

24 As noted in the stipulation, Jinhua has filed a “Motion to Dismiss for Insufficient
25 Process and for Lack of Personal Jurisdiction,” which motion is noticed for hearing on
26 November 9, 2018, and Micron has filed a “Motion to Serve . . . Jinhua . . . by
27 Alternative Means,” which motion is noticed for hearing on November 23, 2018. The
parties state the two motions are “so interrelated that scheduling a single hearing to
address both motions is beneficial to both the Court and the parties” (see Stip. at 1:12-
14), and jointly request such single hearing be scheduled for November 9, 2018, which
would require Micron’s motion to be briefed and heard on shortened time. Although the
Court agrees that the two motions should be heard on the same date, the Court finds it

1 preferable to hear the two motions on November 30, 2018.¹

2 Accordingly, the stipulation is hereby DENIED, and the hearings on Jinhua's
3 Motion to Dismiss and Micron's Motion to Serve are hereby CONTINUED to November
4 30, 2018, at 9:00 a.m.

5 **IT IS SO ORDERED.**
